RE: NextEra Eight Point Wind Energy Project
Town of Greenwood and West Union
Private Well Survey

Dear [PrimCont_First] [PrimCont_Last]:

NextEra Energy Resources, LLC (NextEra) is proposing the development of a wind energy project (Eight Point Wind Energy Project) in the Towns of Greenwood and West Union in Steuben County, New York. TRC, on behalf of NextEra, is gathering information regarding private wells as part of the environmental review process under Article 10 of the Public Service Law (§164 (1)). A Preliminary Scoping Statement (PSS) was released in October 2016 and can be found on the Project website at www.eightpointwind.com.

TRC is sending out this survey to multiple landowners in order to gain additional information regarding private wells such as, location, depth, well construction, approximate yield, etc. Steuben County public records has identified you as the primary contact for the parcel(s) identified on the attached survey questionnaire(s).

Please fill out the survey(s) included within this package to help accurately identify water wells on your property. A postage paid return envelope is included for your convenience. Please fill out and mail no later than April 20, 2017. If you have any questions regarding the Project or the request herein, please contact me at TRC by calling (315)-671-9774 or via email at TOrr@trcsolutions.com. Thank you for your time and attention to this request.

Sincerely,

Terry Orr
Senior Project Manager, TRC

Private Water Well Survey Questionnaire

Towns of Greenwood and West Union, Steuben County, NY

Note: If you are unsure of an answer to a question please write "unknown". After you are done filling out the survey please send back in the enclosed stamped envelope. Thank you in advance for your responses.

Parcel #: _____[PRINT KEY]_____

Parcel Location:_____[Parcel St #] [Parcel St Name]_____

How many well(s) are on your property?

_____

How close is your house/property building to the well(s)? _____

When was the well(s) installed? _____

Who installed the well(s)? _____

How were the well(s) constructed (drilled, dug, open hole, bedrock well, etc.)?

_____

What is the depth & diameter of your well(s)? _____

Well(s) yield in gallons per minute (gpm)? _____

What do you do with the water from the well(s)? _____

How often do you use your well(s)? _____

How is the water quality of your well(s) (odor, taste, color)?

_____

Have you ever installed any treatment systems (water softener, chlorinator, UV, carbon filter, etc.)?

_____

Has your well(s) ever been tested? If yes, what for and when?

_____

Has there been any issues with the well(s) on your property (low yield, pump replacement, dried up, seasonal fluctuations, etc.)?

_____

Is there any other information you would like to share in regards to your private well(s)?

_____

Again, thank you for your time. If you have any questions or concerns about this survey questionnaire please feel free to contact Terry Orr at TRC (315)671-9774 or email TOrr@trcsolutions.com.
